Gen. 194 a.

374-B

Office of the R.L.A.

Under section 2(1) of the Bombay Agricultural Produce Markets Act, 1939, 'Agricultural Produce' includes all produce of agriculture, horticulture and animal husbandry specified in the Schedule. In the Schedule to the Act under the classification "Pulses" only (1) Tur, (2) Gram, (3) Udid, (4) Mug and (5) Val, have been specified. Section 29 of the Act however provides that the Provincial Government may by notification in the Official Gazette add to, amend or cancel any of the items of agricultural produce specified in the Schedule. As long as in exercise of this power the Provincial Government has not issued any notification adding any more pulses in the Schedule, it will not be competent to issue a notification covering the pulses other than those specified in the Schedule.

2. A revised notification in place of the one at p. 65 is sent herewith.

3. Schedule A to the Act mentions the names of the agricultural produce under different classifications. Section 3(1) read with section4(1) requires that the names of all agricultural produce in respect of which the purchase and sale is to be regulated should be specifically mentioned in a notification issued under section 3. The term "pulses" is a generic term. The names of pulses actually intended should be mentione in the notification.
